## **Annexure B**

### **EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS**

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

#### **BASIC SALARY**

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

#### **PROCESS ALLOWANCE**

As part of your CTC, you would also be eligible for a process allowance based on the process you are aligned to. Process Allowance will be shown as an annual component in the CTC annexure but the same shall be payable to you on a monthly basis. Process Allowance is payable from the Date of production. In the event of process change, Process Allowance will change accordingly and a new compensation letter to this effect will be issued to you thereafter for your records/reference. The structure and components of your Compensation plan may be changed from time to time in line with the Compensation Policy and practices of the Company.

#### **House Rent Allowance (HRA)**

The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

#### **Advance Statutory Bonus**

*Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.*

#### **Medical Allowance**

Medical Allowance is paid on a monthly basis at the rate of INR.2000/- per month. The same will be exempted from tax to a limit of INR. 15,000/- annually on submission of medical bills towards money spent.

#### **Food Allowance**

Food Allowance is payable upto a maximum of INR.750/- per month in line with cafeteria expenses.

#### **Attendance Allowance**

Attendance Allowance is payable max. upto INR.1000/- per month.

**HCL**

### **Compensatory Allowance**

Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

### **Medical Insurance**

Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
  - By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters (unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.
  - The premium payable depends on the dependants declared.
  - The hospitalization coverage limit will be same as defined in compensation structure.
  - Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
  - You may refer 'Medical Insurance policy' for further details.
- **Coverage under ESI:** *Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.* The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948.**

Employees covered under ESI would not be covered by default under HCL's medical insurance benefit. Option to enroll under medical insurance is available as well; however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions elucidated under Medical Insurance policy.

\*The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.

\*The percentage and amount is in compliance with the current PF Act.
